

Pupil Premium 2019 2020

At Sheepy Magna CE Primary, we have 8.7% of pupils eligible for the grant. As we are a small school, we know our pupils well and are able to provide for the individual needs of learners.

We appreciate that for many pupils receiving pupil premium funding, their needs may alter over time, particularly if they have issues relating to attachment and trauma, as a result, we recognise the continued need for staff training so that we can effectively support pupils, close gaps in learning and provide for their well-being so that they can flourish.

Summary of spending

COVID19

During lockdown, staff providing intervention work who were on contracts were continued to be paid and work was provided where possible.

Nature of support	Allocated	Spent
Supporting off site visits – supporting the costs associated with residential visits and day visits which contribute significantly to learning and wider social experiences.	2000	938
Visitors, workshops and activities – supporting the cost associated with instrumental, sporting and after school clubs which help develop friendships and a wider appreciation of the curriculum.	2000	943
Targeted intervention support either 1:1 or in small groups.	10,000	8330
Equipment and resources to support learning and engagement in the curriculum.	6060	5807
	20,060	16,018
1 pupil left mid-way through the year, so funding was reduced		3000 to carry forward

Due to COVID19 and lockdown, there was no data available for the end of the academic year 2019-2020.

Attainment and Progress of pupils eligible for PPG. This is based upon school closure data March 23rd.

Year 1 – Year 6 (9 pupils)

Progress	Reading	Writing	Maths
More than expected progress	22%	0%	44.5%
Expected progress or better	56%	89%	44.5%
Less than expected progress	22%	11%	11%

Attainment	Reading	Writing	Maths
Above ARE	55%	33%	44%
At age related expectation or above	78% (22% at)	67% (33% at)	78% (33% at)
Below ARE	22%	33%	22%
