Our Christian Vision

Sheepy Magna C of E Primary School

What is a Christian Vision?

Being a Church of England school means we have a Christian vision that maps out and drives all we do inside and outside of the school ensuring it is reinforced by strong Christian foundations.

* It helps the leaders of the school make important decisions.
* It helps all the people within the school forge relationships and interact with one another respectfully.
* It helps parents to be welcomed into the school and to play an important part in the learning journey of their children.
* It helps involve the wider community with school life and events.
* It helps all school stakeholders develop as unique and valued individuals.

How do our British Values help us?

Our family community ensures we model British Values. At Sheepy, we show democracy by discussing and selecting committee members for our pupil leadership groups, for example school council or the eco committee.

We follow rules, which help us to behave so well and keep everybody safe. Each of our pupils ahs lots of freedom to make choices, such as choosing what activities they want to do at playtime, or deciding how best to present some project homework.

Respect is extremely important and we have a respect code, that was created by our pupils. We show respect to each other, to property, to God and to ourselves.

We accept and tolerate everyone fo rwho they are. We love that fact that everyone is unique and each one of our community brings value and variety to our school.

How do our Christian Values help us?

Our family community is built upon core Christian Values. These are:

- Respect
- Truthfulness
- Determination
- Hope
- Forgiveness
- Peace
- Kindness
- Love

As a Church of England school we try very hard to live out our key Christian values. They are at the heart of all we do.

Our behaviour policy is based on forgiveness, respect and peace with every child being given the chance to improve. We encourage truthfulness, even when this is difficult.

Nurture is at our heart, we show love in all we do and believe and are determined that every child can achieve.

We teach pupils to hope and aspire for successful, happy futures. We teach the pupils to treat not only each other with kindness but to look after animals and our environment.

What does our Christian Vision say?

At Sheepy Magna C of E Primary School, we have a clear vision for the future.

Our vision and values are at the core of everything we do. They underpin our teaching and learning, and provide an environment which prepares our pupils as confident, happy citizens.

It is our vision that Sheepy will continue to be a nurturing environment underpinned by strong Christian and British values.

At Sheepy, each child is treated as an individual and thoughtful teaching helps them to discover and develop their unique talents and abilities.

We are a family that works together; one that cares for, values and encourages all the children within our school community.

Our Christian Vision

We are a community that is together; one that nurtures, values and encourages all the children within our care; we are a family that provides every child with enriching opportunities to shine.
Most of all, we work together as one to ensure that everyone is cherished and supported to succeed and flourish.
We have a strong belief that all things are possible, if there is faith, hope and love.

Our vision is based on themes of

* Family
* Inclusion
* Determination and belief in one another

Mission Statement

Our Vision is firmly rooted in Theology

"Oh how wonderful, how pleasing it is when all God's people come together as one."
(Family)

Luke 10:27
"Love your neighbour as yourself"
(inclusion)

Matthew 19:26
"With God, all things are possible."
(Self-belief and determination)
