Dear Parents

Christmas Pantomime – KS1

This year we thought it would be a lovely idea to take all of our children to a pantomime, so we asked our PTA if they could help towards the cost. They have very kindly agreed to fund the tickets and the transport costs too, which means there is no cost at all to parents, which is amazing.

KS1 children will be going to Warwick Arts Centre on Monday 8th December to see a performance of The Tiger who came to Tea. The coach will leave at mid-day in order to arrive in plenty of time for children to be seated before the performance start; this will mean that children will have their lunch at a slightly earlier time, so **parents must provide a packed lunch for all children on the day**. Children will return to school before the end of the school day.

Children will need to wear full Sheepy uniform and have a coat. All children will be provided with a drink and biscuits during the interval so they will not need to take anything with them, so please do not send sweets and snacks. There will be no opportunity to purchase any drinks/sweets etc whilst there.

Please could you log onto Arbor asap and ensure you give consent for your child to accompany the school on this trip, and understand that you must provide your child with a packed lunch on the day.

Yours sincerely

Mrs Alison Field
Headteacher
