13th March 2020

Dear Parents

Please find enclosed a copy of our recent Ofsted Report. We are very pleased and proud to announce that we have been judged as 'Good' in all areas. Our HMI Inspector informed us that 'an incredible achievement in light of the new framework introduced in September'.

The HMI Inspector agreed with our evaluations and priorities for developing the school further. This serves to reassure all those who are involved in the school that the leadership, strategy and direction of the school has been, and continues to be, on the right path.

Three years ago we identified that we had weaknesses in many areas across our school and at that time we needed to drastically improve many areas to achieve even a good rating. The fact that this downward trend has been reversed so comprehensively in such a short span of time is testament to all the hard work done over the last three years.

Our governing body want to publicly congratulate the Senior Leaders and indeed all staff at Sheepy School. It has made huge progress over the past three years, with the whole staff working tirelessly under the strong direction and leadership of Mrs Field, to improve the school, develop staff, and ultimately improve outcomes for our children. They have complete confidence that Mrs Field will continue to lead Sheepy school in *'working together to secure success for all our Sheepy flock'*.

The governing body and senior leaders want to reiterate that this result will not lead us into complacency and that everyone involved will continue to do all they can to keep driving up standards and improving outcomes for our children.

We thank you for the support, faith and encouragement you have shown for our lovely school, pupils and staff. We look forward to continuing to work with you to ensure the very best education for your children.

Yours sincerely

Mr David Wright
Chair of Governing Body

Mrs Alison FIeld
Headteacher
