13th February 2020

Dear Parents

As part of our Science curriculum, we have arranged to take Y5/6 class to The Big Bang!, UK Young Scientists & Engineers Fair on Wednesday 11th March. The visit will take place during the school day and the children will be accompanied by Mrs Keys, Mrs Smith, Mrs Hair, Mrs Laing and Mrs Redfern. We would like some parental help if possible too, so if you are available for the day, are DBS checked and would like to come along and join us, please let the office know.

We will travel to and from the centre by coach, leaving school immediately after registration, and returning to school by the end of the school day. Children should wear full Sheepy School uniform (not PE kits) and will also need to bring a drink and snack plus a packed lunch and drink with them as this will be eaten at the NEC. (No bottles or fizzy drinks)

We are asking for a donation of £6.50 to cover the cost of the trip. All monies paid for trips are voluntary, but if we do not receive enough contributions to cover the cost of the trip, it may have to be cancelled.

Please log onto School Money and tick the permission box and pay your donation.

Yours sincerely

Mrs Keys
