28th February 2019

Dear ParentCarer

Increasingly over the last few days, schools and other agencies are becoming aware of 'The Momo Challenge'. This can be both distressing and harmful for children. Please find below an article originally from https://parentzone.org.uk/article/three-minute-briefing-momo-challenge regarding 'The Momo Challenge'.

We would be grateful if you could read this article so that you can help keep your child safe online.

Kind regards

Mrs Alison Field
Headteacher
